Unpublished opinions are not binding precedent in this circuit.

PER CURIAM:

Abraham A. Atkins appeals the district court's order denying his motion for compassionate release. We have reviewed the record and discern no abuse of discretion. *See United States v. Kibble*, 992 F.3d 326, 329 (4th Cir. 2021) (stating standard of review for compassionate release motions). Accordingly, we affirm the district court's order. *United States v. Atkins*, No. 2:17-cr-00116-RAJ-RJK-6 (E.D. Va., Oct. 17, 2022). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.
