PER CURIAM:

Madhu Verma and Ravi Gogna appeal the district court's order denying their motion for default judgment and affirming the bankruptcy court's order dismissing their adversary proceeding and remanding to the state court the wrongful detainer action that they removed to the bankruptcy court. We have reviewed the record and find no reversible error. Accordingly, we affirm the district court's order. *Verma v. Francois*, No. 8:22-cv-00452-DKC (D. Md. Dec. 22, 2022). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.
