offense level under the Sentencing Guidelines. The Government moves to dismiss the appeal as frivolous or, alternatively, for summary affirmance or an extension of time to file a brief.

As correctly noted by the Government, during the sentencing hearing, Johnson expressly withdrew his objection to the district court's drug quantity calculation. Johnson's objection was therefore waived, and "[w]aived errors are entirely unreviewable[.]" *United States v. Musquiz*, 45 F.3d 927, 931 (5th Cir. 1995).

Because Johnson withdrew his objection to the drug quantity determination, the sole issue raised on appeal is unreviewable. Accordingly, the Government's motion to dismiss the appeal is GRANTED, and the appeal is DISMISSED AS FRIVOLOUS. *See* 5TH CIR. R. 42.2. The Government's alternative motions for summary affirmance or an extension of time to file a brief are DENIED.
