Before SMITH, MAGILL, and BENTON, Circuit Judges.

PER CURIAM.

Gerry C. DuBose appeals the district court's<sup>1</sup> order denying his motion for default judgment, granting defendants summary judgment, and enjoining him from filing future litigation against defendants concerning the same events. He also appeals the denial of his request for reconsideration. Following careful review, we affirm the judgment of the district court. See 8th Cir. R. 47B.
