Appeal from the United States
District Court for the
Western District of Missouri.

[UNPUBLISHED]

Submitted: May 28, 2010

Filed: June 2, 2010

Before WOLLMAN, COLLOTON, and GRUENDER, Circuit Judges.

PER CURIAM.

Lisa Strickland appeals the district court's¹ adverse grant of summary judgment in her employment-discrimination action. Having carefully reviewed the record and considered Strickland's arguments, see Johnson v. Blaukat, 453 F.3d 1108, 1112 (8th Cir. 2006) (de novo standard of review), we conclude summary judgment was proper for the reasons the district court stated. Accordingly, we affirm, and we grant appellee's motion to strike. See 8th Cir. R. 47B.

¹The Honorable Dean Whipple, United States District Judge for the Western District of Missouri.
