Before MELLOY, HANSEN, and BENTON, Circuit Judges.

PER CURIAM.

J. Lloyd International, Inc. (JLI), filed a complaint against the Testor Corporation (Testor) alleging breach of warranty and three breaches of their manufacturing agreement. After discovery – which JLI frustrated with often-vague responses, even after (occasional) compulsion – Testor moved for summary judgment. The district court¹ granted Testor’s motion. JLI appeals.

¹The Honorable Linda R. Reade, Chief Judge, United States District Court for the Northern District of Iowa.

The district court issued a comprehensive order addressing JLI's four claims. *See J. Lloyd Int'l, Inc. v. Testor Corp.*, No. 08-CV-134-LRR, 2010 WL 605657 (N.D. Iowa Feb. 17, 2010). As no error of law appears in the order, this court affirms. *See* 8th Cir. R. 47B.
