Before WOLLMAN, BOWMAN, and SMITH, Circuit Judges.

PER CURIAM.

Joseph Johnson appeals the district court's¹ dismissal of his 42 U.S.C. § 405(g) action for lack of subject matter jurisdiction. Having carefully reviewed the record and considered Johnson's arguments for reversal, we agree with the district court's reasons for concluding that subject matter jurisdiction was lacking. See In Home

¹The Honorable Charles A. Shaw, United States District Judge for the Eastern District of Missouri, adopting the report and recommendations of the Honorable Frederick R. Buckles, United States Magistrate Judge for the Eastern District of Missouri.

Health, Inc. v. Shalala, 272 F.3d 554, 559 (8th Cir. 2001) (de novo review). We Accordingly, the judgment is affirmed. See 8th Cir. R. 47B. We also deny the pending motion for sanctions.
