Appeal from United States District Court
for the Eastern District of Missouri - St. Louis

Submitted: October 3, 2019
Filed: October 7, 2019
[Unpublished]

Before GRUENDER, STRAS, and KOBES, Circuit Judges.

PER CURIAM.

Patt McGuire appeals following the district court's¹ dismissal of her employment discrimination action as a sanction for failing to comply with a discovery order. After careful review of the record and the parties' arguments on appeal, we find no basis for reversal. Accordingly, we affirm. *See* 8th Cir. R. 47B. We also grant appellees' motion to substitute counsel, deny as moot appellees' motion to strike McGuire's reply brief, and deny McGuire's pending motions.

¹The Honorable Catherine D. Perry, United States District Judge for the Eastern District of Missouri.
