Appeal from United States District Court  
for the Eastern District of Arkansas - Little Rock

---

Submitted: August 20, 2019

Filed: August 27, 2019

[Unpublished]

---

Before COLLTON, ERICKSON, and GRASZ, Circuit Judges.

---

PER CURIAM.

In this 42 U.S.C. § 1983 action, inmate Todd McDonald appeals the district court's<sup>1</sup> adverse grant of summary judgment. Based on the record before the court, we agree that McDonald failed to show he exhausted administrative remedies on the claims raised in the instant action. See Townsend v. Murphy, 898 F.3d 780, 783-84 (8th Cir. 2018) (reviewing de novo grant of summary judgment; boundaries of proper exhaustion are determined by prison's specific administrative requirements). The judgment is affirmed. See 8th Cir. R. 47B.
