Defendants - Appellees

Appeal from United States District Court
for the Eastern District of Arkansas - Delta

Submitted: February 26, 2021

Filed: March 4, 2021

[Unpublished]

Before BENTON, MELLOY, and KELLY, Circuit Judges.

PER CURIAM.

Arkansas inmate Michael Boyd appeals the district court's¹ 28 U.S.C. § 1915(e)(2)(B) preservice dismissal of his civil rights action, in which he raised claims related to his 2013 arrest, prosecution, and conviction for bank robbery. The district court dismissed Boyd's complaint, concluding that his 42 U.S.C. § 1983 claims were barred by sovereign, judicial, and prosecutorial immunity, Heck v. Humphrey, 512 U.S. 477 (1994), and the statute of limitations; and that he failed to state a conspiracy claim. Having carefully reviewed the record and the parties' arguments on appeal, we find no basis for reversal. See Moore v. Sims, 200 F.3d 1170, 1171 (8th Cir. 2000) (per curiam) (de novo review of § 1915(e)(2)(B) dismissal). The judgment is affirmed.

¹The Honorable Kristine G. Baker, United States District Judge for the Eastern District of Arkansas.
