Before SHEPHERD, KELLY, and STRAS, Circuit Judges.

PER CURIAM.

In this 42 U.S.C. § 1983 action, Arkansas inmate Christopher Thornsberry appeals after the district court's<sup>1</sup> adverse grant of summary judgment for failure to exhaust administrative remedies. After careful review of the record and the parties' arguments on appeal, we find no basis for reversal. See Townsend v. Murphy, 898 F.3d 780, 783 (8th Cir. 2018) (reviewing de novo grant of summary judgment based on failure to exhaust). Accordingly, we affirm. See 8th Cir. R. 47B. We also deny the pending motions for oral argument and to dismiss the appeal.
