longer afforded the alternative of proceeding without payment of filing fees, but must, in time, pay the \$455 filing fee in its entirety. When funds exist, an initial partial payment must be made consisting of 20% of the greater of (a) the average monthly deposits to the prisoner's account or (b) the average monthly balance in the prisoner's account for the six-month period immediately preceding the filing of the notice of appeal. 28 U.S.C. § 1915(b)(1). Thereafter, the prisoner is required to make monthly payments of 20% of the preceding month's income credited to the prisoner's account. 28 U.S.C. § 1915(b)(2). The agency with custody of the prisoner must forward payments from the prisoner's account each time the amount in the account exceeds \$10 until the \$455 filing fee is paid in full. *Id.*

By separate letter, the custodian of Long's prison account is being directed to make the necessary arrangements to forward the filing fee to the court.

Accordingly,

IT IS ORDERED THAT

Long's motion to proceed in forma pauperis is denied.
