## Slip Op. 17-98

## UNITED STATES COURT OF INTERNATIONAL TRADE

MICRO SYSTEMS ENGINEERING, INC.,

Plaintiff,

**Before: Jennifer Choe-Groves, Judge** 

v.

Court No. 13-00376

UNITED STATES,

Defendant.

## **JUDGMENT**

[Granting Plaintiff's USCIT Rule 12(c) motion for judgment on the pleadings.]

Dated: August 7, 2017

Elon A. Pollack, Stein Shostak Shostak Pollack & O'Hara, LLP, of Los Angeles, CA, for plaintiff.

<u>Alexander Vanderweide</u>, Trial Attorney, Commercial Litigation Branch, Civil Division, U.S. Dept. of Justice, of New York, NY, for defendant. With him on brief were <u>Chad A. Readler</u>, Acting Assistant Attorney General, <u>Amy M. Rubin</u>, Assistant Director.

Choe-Groves, Judge: This case involves the classification of certain parts used to

manufacture subassemblies for pacemakers imported by Micro Systems Engineering, Inc.

("Plaintiff"). See Summons, Nov. 8, 2013, ECF No. 1; Compl. ¶ 5, Feb. 13, 2017, ECF No. 15.

Plaintiff imported twenty-four entries of the merchandise between June 2011 and February

2012.<sup>1</sup> See Summons. U.S. Customs and Border Protection ("Customs") classified and

<sup>&</sup>lt;sup>1</sup> This case initially concerned forty-three entries. <u>See</u> Summons. The nineteen entries covered in Protest Nos. 4196-13-100098, 4196-13-100058, 4196-13-100210, 4196-13-100065, 4196-13-100059, 4196-13-100140, and 4101-13-100192 were severed and dismissed from this case on

Page 2

liquidated the merchandise under various provisions of the Harmonized Tariff Schedule of the United States ("HTSUS"). <u>See</u> Compl. ¶ 5; Answer ¶ 5, Mar. 23, 2017, ECF No. 16. Plaintiff's complaint alleges that Customs misclassified the imported merchandise because the parts are specially designed or adapted for use in heart pacemakers and are classifiable under the Nairobi Protocol to the Florence Agreement on the Importation of Educational, Scientific, and Cultural Materials ("Nairobi Protocol"). <u>See</u> Compl. ¶¶ 7–9. The HTSUS implemented the Nairobi Protocol under subheading 9817.00.96, which is a duty free provision that exempts payment of certain merchandise processing fees. <u>See</u> 19 C.F.R. § 24.23(c)(1)(i). Defendant agrees that the imported pacemaker components contained in the entries at issue are classifiable under HTSUS subheading 9817.00.96. See Answer ¶¶ 7–9.

Before the court is Plaintiff's Motion for Judgment on the Pleadings filed pursuant to USCIT Rule 12(c). <u>See</u> Mot. J. Pleadings, May 9, 2017, ECF No. 23. USCIT Rule 12(c) permits a party to move for judgment on the pleadings "after the pleadings are closed and if it would not delay trial." <u>Forest Labs., Inc. v. United States</u>, 29 CIT 1401, 1402, 403 F. Supp. 2d 1348, 1349 (2005), <u>aff'd</u>, 476 F.3d 877 (Fed. Cir. 2007). A judgment on the pleadings is appropriate where there are no material facts in dispute and the moving party is entitled to judgment as a matter of law. <u>See New Zealand Lamb Co., Inc. v. United States</u>, 40 F.3d 377, 380 (Fed. Cir. 1994) (citing <u>Gen. Conference Corp. of Seventh-Day Adventists v. Seventh-Day</u> Adventist Congregational Church, 887 F.2d 228, 230 (9th Cir. 1989), cert. denied, 493 U.S. 1079

May 10, 2017 and August 1, 2017. See Order, May 10, 2017, ECF No. 25 (granting Plaintiff's consent motion to sever and dismiss); Order, Aug. 1, 2017, ECF No. 29 (granting Plaintiff's consent motion to sever and dismiss).

(1990)). Plaintiff asserts that there are no factual or legal disputes for the court to review and the court should enter judgment in Plaintiff's favor because Defendant admits that the imported goods are classifiable under the Nairobi Protocol. <u>See</u> Mot. J. Pleadings 3. Defendant responds as follows:

[W]e agree with Micro Systems that the substrates, coils, diodes and integrated circuits in the remaining . . . entries before the Court "are properly classified under HTSUS 9817.00.96 (Nairobi Protocol), which carries 0% duties *ad valorem* and are excepted from payment of merchandise processing fees." Pl. Motion at 2–3.

Def.'s Resp. Pl.'s Mot. J. Pleadings 2, May 15, 2017, ECF No. 26. The Parties are in agreement that the imported substrates, coils, diodes, and integrated circuits contained in the entries at issue in this action are classifiable under the Nairobi Protocol. Judgment on the pleadings is appropriate here because the pleadings do not raise any triable material issue of fact and Plaintiff is entitled to judgment as a matter of law regarding the classification of the imported substrates, coils, diodes, and integrated circuits.

Therefore, upon consideration of Plaintiff's Motion for Judgment on the Pleadings, and all other papers and proceedings in this action, and upon due deliberation, it is hereby

**ORDERED** that judgment is granted in favor of Plaintiff; it is further

**ORDERED** that the imported substrates, coils, diodes, and integrated circuits contained in the entries set forth on the attached Schedule are classifiable under HTSUS subheading 9817.00.96, which is a duty free provision that exempts payment of merchandise processing fees; it is further **ORDERED** that, in accordance with this judgment, U.S. Customs and Border Protection shall reliquidate and issue refunds for those entries on the attached Schedule containing substrates, coils, diodes, and integrated circuits; and it is further

**ORDERED** that any refunds payable by reason of this judgment shall be paid with any interest as provided by law.
