Respondent.)	

MEMORANDUM OPINION

This is an action for a writ of habeas corpus action filed by petitioner Jack Harold Wilson, *pro se*, on or about February 20, 2018. (Doc. 1). The petitioner, a pre-trial detainee, challenged the revocation of his bond and his continued detention pending a retrial on assault charges. On October 19, 2018, the magistrate judge to whom the case was referred entered a report and recommendation pursuant to 28 U.S.C. § 636(b), recommending that habeas relief be denied. (Doc. 18). Although the petitioner was notified of his right to file objections within fourteen (14) days, no objections have been filed with the court.

Having carefully reviewed and considered *de novo* all the materials in the court file, including the magistrate judge’s Report and Recommendation, the court is of the opinion that the magistrate judge’s findings are due to be and are hereby **ADOPTED** and his recommendation is **ACCEPTED**. Accordingly, the petition

for writ of habeas corpus is due to be **DISMISSED WITHOUT PREJUDICE** on the grounds of the bond revocation, and **DISMISSED WITH PREJUDICE** on the grounds of double jeopardy. Further, because the petition does not present issues that are debatable among jurists of reason, a certificate of appealability is also due to be **DENIED**. See 28 U.S.C. § 2253(c); *Slack v. McDaniel*, 529 U.S. 473, 484-85 (2000); Rule 11(a), *Rules Governing § 2254 Proceedings*. A separate Final Order will be entered.
