**JOINT STIPULATION AND
[PROPOSED] ORDER
REQUESTING ENTRY OF
JUDGMENT**

Winston & Strawn LLP
101 California Street
San Francisco, CA 94111-5894

1 Plaintiffs Songs of Universal, Inc., Universal-Polygram International
2 Publishing, Inc., Rondor Music International, Inc., Universal Music – MGB NA LLC,
3 UMG Recordings, Inc., Universal Music – Z Tunes LLC, Universal Music – MBG
4 Music Publishing Ltd., and Universal Music Corp. (collectively "UMG") and
5 defendant Veoh Networks, Inc. ("Veoh"), by and through their undersigned counsel,
6 stipulate and agree and ask the Court to enter an Order as follows:

7 WHEREAS, on September 4, 2007, UMG sued Veoh for direct, contributory,
8 vicarious, and inducing copyright infringement (the "Action");

9 WHEREAS, on December 29, 2008, the Court issued an Order denying UMG's
10 motion for partial summary judgment that Veoh's alleged infringement of copyright
11 was not "by reason of the storage at the direction of a user of material that resides on a
12 system or network controlled or operated by or for the service provider" as set forth in
13 17 U.S.C. § 512(c) (the "December 2008 Order") (Dkt. No. 293);

14 WHEREAS, on September 11, 2009, the Court issued an Order in connection
15 with Veoh's motion for summary judgment expressing, among other things, the
16 Court's conclusion that Veoh has satisfied the remaining requirements of 17 U.S.C.
17 § 512(c) and is thus entitled to that section's limitations on liability (the "September
18 2009 Order") (Dkt. No. 575);

19 WHEREAS even if UMG were to prevail on its underlying claims in this case,
20 pursuant to 17 U.S.C. §512(c)(1) Veoh would not be liable for monetary relief, and
21 any injunctive relief would be limited to that permitted by 17 U.S.C. § 512(j);

22 WHEREAS, on May 11, 2009, UMG identified the video files set forth in
23 Exhibit A to this stipulation (the "Allegedly Infringing Video Files") that it contends
24 were uploaded to Veoh and infringe UMG's alleged copyrights;

25 WHEREAS Veoh represents that it has disabled user access to each of the
26 Allegedly Infringing Video Files;

27
28

1 WHEREAS before this lawsuit was filed Veoh had implemented hash filtering
2 to prevent video files with hash values that are identical to files disabled for copyright
3 infringement from being accessed by users;

4 NOW THEREFORE, the parties hereto, by and through their respective counsel
5 of record STIPULATE AND AGREE as follows:

6 1. As provided in 17 U.S.C. § 512(j),

7 a. Veoh agrees to continue to disable access to the Allegedly
8 Infringing Video Files and to continue to use hash filtering to
9 prevent video files with hash values that are identical to the
10 Allegedly Infringing Video Files from being accessed by users;
11 and

12 b. Veoh will not reinstate accounts that were terminated as a
13 consequence of Veoh receiving multiple DMCA notices
14 concerning the account holder posting allegedly infringing video
15 files, and that included one or more of the Allegedly Infringing
16 Video Files, and will not allow such terminated account holders to
17 open a new account with the same user name or email address
18 associated with the terminated account. The foregoing is without
19 prejudice to UMG's contention that any such policy is insufficient
20 to satisfy 17 U.S.C. § 512(i)(1)(A).

21 2. In light of the Court's December 2008 and September 2009 Orders, and
22 Veoh's agreement to undertake the restrictions provided under paragraph 1 herein:

23 a. UMG agrees that, even if it were to prevail on its remaining claims
24 against Veoh in this action, it is entitled to no further relief, except
25 in the event the Court's December 2008 and/or September 2009
26 Orders, Docket Nos. 293 and 575, respectively, are reversed,
27 vacated, remanded or otherwise altered on appeal; and

b. The parties agree that no issues in this Action require further judicial resolution, except in the event the Court's December 2008 Order and/or September 2009 Orders are reversed, vacated, remanded or otherwise altered on appeal, and other than resolution of any motions or applications regarding fees and costs associated with this action, and so stipulate. Nothing contained herein shall prejudice either party's rights regarding any such motion or application.

3. Nothing contained in this stipulation is intended as
a. an admission by UMG that Veoh's alleged defense under 17 U.S.C. § 512(c) or any other of its alleged defenses has merit; or
b. an admission by Veoh that UMG's copyright infringement claims have merit.

2 this action are moot, absent any reversal, vacatur, remand, or other alteration of the
3 Court's December 2008 and/or September 2009 Orders on appeal, and that final
4 judgment may be entered pursuant to this stipulation.
