Civil Action No.

12 10083

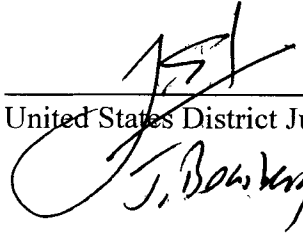

MEMORANDUM OPINION

This matter is before the Court on plaintiff's application to proceed *in forma pauperis* and her *pro se* complaint. The Court will grant the application and dismiss the complaint.

Although the plaintiff manages to demand a trial without a jury and damages of \$999,999,999,999.00, the complaint is completely devoid of a meaningful factual allegation. At most the complaint's purported assertions "constitute the sort of patently insubstantial claims" that deprive the Court of subject matter jurisdiction. *Tooley v. Napolitano*, 586 F.3d 1006, 1010 (D.C. Cir. 2009); *see Best v. Kelly*, 39 F.3d 328, 330 (D.C. Cir. 1994).

An Order is issued separately.
