

UNITED STATES DISTRICT COURT
EASTERN DISTRICT OF LOUISIANA

HORNBECK OFFSHORE SERVICES, LLC

CIVIL ACTION

v.

10-1663

SALAZAR ET AL

SECTION "F"

ORDER AND REASONS

Before the Court is plaintiff Hornbeck Offshore Services' request for oral argument on its renewed motion to enforce preliminary injunction order. The request is DENIED for the following reasons.

It is the Court's policy to grant oral argument on motions if one of the following factors is present:

1. There is a need for an evidentiary hearing.
2. The motion or opposition papers involve a novel or complex issue of law that is unsettled.
3. The motion or opposition papers argue for a change in existing law.
4. The motion or opposition papers implicate a constitutional issue.
5. The case itself is of widespread community interest.

Although the case is one of widespread community interest, this particular motion does not merit oral argument. Because the motion does not involve any of the other above factors,

IT IS ORDERED: that the request for oral argument on the plaintiff's renewed motion to enforce preliminary injunction order is DENIED.
