16 **C. THE REASONS WHY THE DISCOVERY REMAINING WAS NOT**
17 **COMPLETED WITHIN THE TIME LIMITS SET BY THE DISCOVERY**
18 **ORDER:**

19 While the parties have pursued discovery based on the undisputed issues in
20 the case, the complaint is not yet at issue due to a pending FRCP 12(b)(6) motion to
21 dismiss defendant's counterclaims for negligence. Until that motion is decided and
22 plaintiff answers the counterclaims, the full scope of discovery cannot be

1 ascertained, let alone completed. Depending on the outcome of the motion to
 2 dismiss, a motion for summary judgment under FRCP 56 may also be necessary.

3 In addition, for the entirety of the case to date, the COVID-19 pandemic and
 4 the associated lockdowns in the State of Nevada and elsewhere have made
 5 completing discovery unusually difficult. It has delayed getting the necessary
 6 information to complete responses to interrogatories and requests for production.
 7 It has also made completing depositions challenging, especially where plaintiff's
 8 personnel who handled the claim no longer work for plaintiff and reside outside the
 9 State of Nevada.
