16 **DISCOVERY**

17 1. Defendants seek to obtain outstanding medical, billing, employment, tax/IRS,
18 insurance and/or other records for both Plaintiffs which may require motion practice.

19 2. The FRCP 35 Examination of Plaintiff/Cross-Defendant Charles Finley which may
20 require motion practice.

22 practice.

28 9. Designations of Rebuttal Exert Witnesses.

1 10. Depositions of Expert Witnesses.

2 11. Additional discovery as the parties deem necessary.

3 **III. REASONS WHY DISCOVERY WAS NOT COMPLETED WITHIN TIME**

4 **SET BY DISCOVERY PLAN**

5 **1. Obtain Outstanding Records**

6 On August 7, 2023, Defendants sent Plaintiffs authorizations, based on information known
7 to date, for Plaintiffs to sign and return to enable Defendants to independently request Plaintiffs'
8 records. On August 8, 2023, Plaintiffs produced their initial FRCP 26 disclosures. On August 14,
9 2023, Defendants sent Plaintiffs additional authorizations for Plaintiffs to sign and return based on
10 the additional information obtained from Plaintiffs' initial FRCP 26 disclosures.

11 On August 21, 2023, Plaintiffs returned partial signed authorizations. Defendants promptly
12 commenced the records retrieval process via a third-party vendor, i.e. Magna Legal Services. Also
13 on August 21, 2023, Defendants asked Plaintiffs to return the outstanding authorizations for
14 employment, tax return, Medicaid, Social Security and insurance records.

15 On August 29, 2023, Defendants again followed up with Plaintiffs on the status of returning
16 the outstanding authorizations. Plaintiffs responded that they would not sign and return those
17 authorizations.

18 On September 19, 2023, Defendants requested Plaintiffs availability for a meet and confer
19 call on the outstanding authorizations which has been scheduled for September 25, 2023. A motion
20 to compel may follow.

21 **2. Written Discovery Responses**

22 On August 15, 2023, Defendant Swift Transportation Company, LLC served its first set of
23 Interrogatories, Requests for Production and Requests for Admissions on Plaintiff/Counter-
24 Defendant Charles Finley and Plaintiff Imijah Jenkins, respectively. On September 14, 2023,
25 Plaintiffs served their respective responses to Defendant Swift Transportation Company, LLC's first
26 set of Interrogatories, Requests for Production and Requests for Admissions.

27
28

1 On September 19, 2023, Defendants advised Plaintiffs of alleged deficient discovery
2 responses and the need for supplemental responses. The meet and confer call has been scheduled for
3 September 25, 2023. A motion to compel may follow.

4 **3. Independent Medical Examinations of Plaintiffs**

5 On September 6, 2023, Defendants reiterated to Plaintiffs the need for Independent Medical
6 Examinations (“IME”) of both Plaintiffs which was also noted within the Discovery Plan and
7 Scheduling Order [Doc 20]. On September 8, 2023, Defendants circulated a proposed Stipulation
8 and Order for IME of Plaintiff/Cross-Defendant Charles Finley and indicated the same format would
9 be used for the Notice of IME of Plaintiff Imijah Jenkins. Defendants circulated proposed IME dates
10 of October 17, 24 and 31, 2023 and November 7, 2023, cautioning the dates were “first come, first
11 served” and would not be held.

12 On September 13, 2023, Defendants followed-up on the proposed Stipulation and Order for
13 the respective IME’s, noted a few revisions consistent with the FRCP 35 examiner’s requirements
14 and advised of the currently available proposed dates of October 17, 24 and 31, 2023. On September
15 19, 2023, Defendants again followed-up with Plaintiffs on the proposed Stipulation and Order for
16 the respective IME’s of Plaintiff/Cross-Defendant Charles Finley and Plaintiff Imijah Jenkins.
17 Additionally, Defendants requested Plaintiffs’ availability to meet and confer should a motion to
18 compel be required.

19 On September 19, 2023, Plaintiffs agreed to the IME’s but then objected to the language
20 within the proposed Stipulation and Order for IME which has necessitated a meet and confer call
21 scheduled for September 25, 2023. A motion to compel may follow.

22 **4. Depositions of Plaintiffs**

23 On September 1, 2023, Cross-Defendant Charles Finley requested available dates to depose
24 Plaintiff Imijah Jenkins. On September 8, 2023, Defendants agreed with the need to proceed with
25 Plaintiffs’ depositions and also sought/awaited receipt of Plaintiffs’ availability.

26 Given the discovery time constraints, on September 21, 2023, Defendants had to serve a
27 unilateral Notice of Videotaped Deposition of Plaintiff/Cross-Defendant Charles Finley for October
28

11, 2023. On September 21, 2023, Defendants had to serve a unilateral Notice of Videotaped Deposition of Plaintiff Imijah Jenkins for October 11, 2023.

5. Expert Designations

Defendants’ experts continue to await receipt of the outstanding medical records and billing, among other materials, and the FRCP 35 examinations must occur before their formal designations and production of expert reports can occur.
