3 **III. REASONS WHY DISCOVERY WAS NOT COMPLETED WITHIN THE**
4 **TIME SET BY DISCOVERY PLAN & GOOD CAUSE UNDER LR 26-3**

5 This is the third request for an extension of discovery deadlines requested by the parties. The
6 parties stipulate to extend expert deadlines in this case. Good cause is shown to extend the discovery
7 deadlines, as despite the Parties' diligence and good faith attempts to pursue discovery in preparation
8 of their respective case, the existing deadlines do not provide the parties with sufficient time to
9 complete crucial discovery to ensure this matter is resolved on its respective merits. Plaintiffs'
10 expert, Dr. Jason Garber, ordered a neuropsychological and neurocognitive test of Plaintiff James
11 Phillips, and requires additional time to review the results of these tests for completion of his report.
12 Plaintiff James Phillips' neurologist and clinical neuropsychologist, Dr. Katharine Miller, will be
13 conducting the neuropsychological and neurocognitive tests. Dr. Miller's availability is almost
14 completely booked through to 2025. However, the parties were fortunate enough to schedule
15 Plaintiff James Phillips's tests with Dr. Miller on March 14, 2024, one day before the current
16 deadline to disclose initial experts in this matter. Plaintiffs' counsel's efforts to secure an earlier date
17 for the examinations were unsuccessful, thus resulting in the instant stipulation. In addition,
18 Defendant is still in the process of obtaining Plaintiff James Phillips' medical records for his ongoing
19 treatment which are necessary prior to further depositions and the initial expert disclosure deadline.
20 As such, the deadlines cannot be reasonably met despite the diligence of the Parties. *See Johnson v.*
21 *Mammoth Recreations, Inc.*, 975 F.2d 604, 609 (9th Cir. 1992).

22 Moreover, the parties continue to engage in informal settlement discussions.
23 Correspondence pertaining to settlement has been exchanged, with the topic of mediation having
24 been introduced. Both parties demonstrate a willingness to participate in further comprehensive
25 discussions regarding settlement following the acquisition of Plaintiff James Phillips' medical
26 records concerning his ongoing medical treatment. The parties are actively engaging in discovery
27 in this matter. Furthermore, the parties are acting in good faith in filing this Stipulation and without
28 an intent to improperly delay the proceedings. Continuing the expert deadline will not prejudice any

1 party or have a negative impact upon the judicial administration of this Honorable Court.
2 Accordingly, the Parties are requesting a sixty (60) day extension to all remaining discovery
3 deadlines.

4 **IV. PROPOSED SCHEDULE FOR COMPLETING DISCOVERY**

5 The Parties hereto, and for good cause described in this Stipulation, and in accord with Local
6 Rule 6-1 and Local Rule 26-3, request this Honorable Court to adopt and approve this stipulated
7 extension to the discovery plan, and continue the discovery deadlines as requested below:

8 Event:	Current Date:	Proposed Date:
9 Discovery Cutoff Date:	May 14, 2024	July 15, 2024
10 Expert Designations:	March 15, 2024	May 14, 2024
11 Rebuttal Designations:	April 14, 2024	June 13, 2024
12 Dispositive Motions:	June 13, 2024	August 14, 2024
13 Joint Pre-Trial Order:	July 13, 2024	September 13, 2024

14 As set forth herein, this Stipulation is supported by good cause and is not for purposes of
15 delay.

16 The parties hereby stipulate to extend the remaining discovery deadlines included in the
17 discovery plan by sixty (60) days.

18 IT IS SO STIPULATED.
