**FINAL JUDGMENT**

Defendants in the above-captioned consolidated actions having moved for summary judgment that they qualify for the safe-harbor limitations on liability of the Digital Millennium Copyright Act, 17 U.S.C. § 512 *et seq.*, as against all of Plaintiffs' direct and secondary federal and common law copyright infringement claims and unfair competition claims, and such motions having come before the Honorable Ronnie Abrams, United States District Judge, and the Court thereafter having rendered a Memorandum and Opinion dated September 18, 2013, an Opinion and Order dated December 31, 2013, an Opinion and Order dated March 31, 2018, and an Opinion and Order dated May 28, 2021 granting Defendants' motions for summary judgment on all claims except for 26 videos-in-suit (encompassing the 27 alleged infringements listed in Exhibit A and incorporated herein by reference) (the "Remaining Claims"); and

The parties having stipulated, and the Court having so ordered on August 26, 2021, that: (i) Plaintiffs' claims for relief in this litigation on all of the asserted videos-in-suit except for the Remaining Claims are disposed of by the September 18, 2013, December 31, 2013, March 31, 2018, and May 28, 2021 orders of this Court; (ii) the Remaining Claims will be voluntarily dismissed without prejudice, pursuant to Fed. R. Civ.
