FIFTH DISTRICT

NOT FINAL UNTIL TIME EXPIRES TO
FILE MOTION FOR REHEARING AND
DISPOSITION THEREOF IF FILED

JEFFREY CHARLES,

Appellant,

v.

Case No. 5D21-670
LT Case No. 2013-DR-002423

SHANNON DENISE WILLIAMS,

Appellee.

_____ /

Opinion filed October 29, 2021

Appeal from the Circuit Court
for Orange County,
Alice Blackwell, Judge.

Jeffrey Charles, Apopka, pro se.

No Appearance for Appellee.

SASSO, J.

Jeffrey Charles challenges several orders on appeal which we affirm, with the exception of the Final Judgment of Paternity entered on March 17, 2016. Because Charles's appeal of the paternity judgment is untimely, we dismiss the portions of the appeal relating to that judgment. See *Calicchio v.*

Calicchio, 693 So. 2d 1124, 1124 (Fla. 4th DCA 1997) (a contemnor cannot use an order finding him or her in contempt as a back door to challenging the propriety of the unappealed underlying order).

AFFIRMED IN PART; DISMISSED IN PART.

COHEN and EISNAUGLE, JJ., concur.
