v.

Case No. 5D21-741

LT Case No. 2016-CF-000715-A-0

STATE OF FLORIDA,

Appellee.

Opinion filed October 22, 2021

Appeal from the Circuit Court  
for Orange County,  
Keith F. White, Judge.

Matthew J. Metz, Public Defender,  
and George D.E. Burden, Assistant  
Public Defender, Daytona Beach, for  
Appellant.

Ashley Moody, Attorney General,  
Tallahassee, and Bonnie Jean  
Parrish, Assistant Attorney General,  
Daytona Beach, for Appellee.

PER CURIAM.

In this *Anders*<sup>1</sup> appeal, we affirm, without further elaboration, the judgment and sentence imposed by the trial court following Appellant's violation of probation trial. However, because the order revoking probation does not list the specific conditions of probation that Appellant was found to have violated, we remand to the trial court for entry of an amended order to include the conditions that it found were violated. *See Ford v. State*, 293 So. 3d 553, 554 (Fla. 2d DCA 2020) (affirming the judgment and sentence imposed but remanding to the trial court for the entry of an amended order specifying the conditions of probation violated by the defendant).

On remand, the amended order should also reflect the citation to the predecessor statute, section 794.041(2)(b), Florida Statutes, regarding Appellant's underlying criminal conviction.

AFFIRMED; REMANDED with directions for entry of amended revocation order consistent with this opinion.

LAMBERT, C.J., EDWARDS and WOZNIAK, JJ., concur.
