

IN THE DISTRICT COURT OF APPEAL
FIRST DISTRICT, STATE OF FLORIDA

STATE FARM FLORIDA
INSURANCE COMPANY,

Appellant,

v.

NOT FINAL UNTIL TIME EXPIRES TO
FILE MOTION FOR REHEARING AND
DISPOSITION THEREOF IF FILED

CASE NO. 1D06-0628

MING-CHEN CHANG and
HELEN HSIANG CHANG,

Appellees.

_____ /

Opinion filed May 3, 2006.

An appeal from the Circuit Court for Santa Rosa County.
R.V. Swanson, Judge.

Guy E. Burnette, Jr., Tallahassee; Elizabeth K. Russo, Miami, for Appellant.

Robert M. Loehr, Pensacola; William F. Merlin, Jr., Tampa, for Appellees.

PER CURIAM.

Upon consideration of appellant's response to the Court's order of March 1, 2006, the Court has determined that the order on appeal is not final because the claims for losses under "other coverages" of the policy, which remain pending in the lower

tribunal at this time, appear to be related to the claim resolved by the order on appeal.

Accordingly, the appeal is hereby dismissed for lack of jurisdiction.
