FIRST DISTRICT, STATE OF FLORIDA

DARIN A. COBB,

Appellant,

v.

NOT FINAL UNTIL TIME EXPIRES TO  
FILE MOTION FOR REHEARING AND  
DISPOSITION THEREOF IF FILED

CASE NO. 1D11-1587

HELENA COBB,

Appellee.

---

Opinion filed August 4, 2011.

An appeal from the Circuit Court for Walton County.  
W. Howard Laporte, Judge.

Darin A. Cobb, pro se, Appellant.

No appearance for Appellee.

PER CURIAM.

DISMISSED. Snelson v. Snelson, 440 So. 2d 477 (Fla. 5th DCA 1983); see also Brigham v. State, 769 So. 2d 1100, 1101 (Fla. 1st DCA 2000) (distinguishing avenues for obtaining belated appeal in criminal and civil cases). This dismissal is

without prejudice to the appellant's right to seek relief in the trial court or to bring a timely appeal from the final order resolving the appellee's claim for bridge-the-gap alimony. McGuire v. McGuire, 42 So. 3d 932 (Fla. 5th DCA 2010) (dismissing premature appeal where order appealed did not resolve issue concerning alimony).
