***ON REMAND FROM THE SUPREME COURT OF FLORIDA***

DAMOORGIAN, C.J.<sup>1</sup>

We reconsider on remand our opinion in *Jupiter Medical Center, Inc. v. Visiting Nurse Association of Florida, Inc.*, 72 So. 3d 184 (Fla. 4th DCA 2011), which was quashed by the Florida Supreme Court following its revised opinion in *Visiting Nurse Association of Florida v. Jupiter Medical Center, Inc.*, 39 Fla. L. Weekly S667, S675 (Fla. Nov. 6, 2014).

Based on the Supreme Court's holding in *Jupiter Medical Center*, we affirm the trial court's orders dismissing Appellant's, Jupiter Medical Center, Inc., motion to vacate the arbitration award, and granting Appellee's, Visiting Nurse Association of Florida Inc., motion to enforce the award.

*Affirmed.*

CIKLIN and LEVINE, JJ., concur.
