UNITED AUTOMOBILE INSURANCE COMPANY,
Petitioner,

v.

LANDAU RADIOLOGY, LLC, a/a/o JANE FORGIONE,
Respondent.

No. 4D08-2196

[October 15, 2008]

PER CURIAM.

This case involves a second-tier certiorari petition from a decision of the circuit court sitting in its appellate capacity. Finding no “violation of a clearly established principle of law resulting in a miscarriage of justice,” we deny the petition. *See Allstate Ins. Co. v. Kaklamanos*, 843 So. 2d 885, 889 (Fla. 2003).

STONE, WARNER and GROSS, JJ., concur.
