Case No. 2D11-2075

Opinion filed May 18, 2012.

Appeal from the Circuit Court for  
Hillsborough County; Denise Pomponio,  
Judge.

James Marion Moorman, Public Defender,  
and Clark E. Green, Assistant Public  
Defender, Bartow, for Appellant.

Pamela Jo Bondi, Attorney General,  
Tallahassee, and Danilo Cruz-Carino,  
Assistant Attorney General, Tampa, for  
Appellee.

DAVIS, Judge.

Dustin D. Odom challenges the thirty-six-month prison term imposed following a revocation of his community control for the original offense of possession of a controlled substance. The only issue raised by Odom's counsel and answered by the

State is related to the possession issue discussed in State v. Adkins, 71 So. 3d 184 (Fla. 2d DCA), review granted, 71 So. 3d 117 (Fla. 2011). But Odom's revocation was based on a technical violation and does not involve any possession-related new law violations. Because the Adkins issue relates only to his underlying conviction and not to the revocation and sentence currently before this court, we affirm Odom's revocation and resulting sentence without further comment.

Affirmed.
