**Jevaughn Bowen,**  
Appellant,

vs.

**The State of Florida,**  
Appellee.

An Appeal from the Circuit Court for Miami-Dade County, Victoria Brennan, Judge.

Carlos J. Martinez, Public Defender, and Shannon Hemmendinger, Assistant Public Defender, for appellant.

Pamela Jo Bondi, Attorney General, and Brent J. Kelleher, Assistant Attorney General, for appellee.

Before SUAREZ, C.J., and LAGOA and LOGUE, JJ.

PER CURIAM.

Affirmed. See Baccari v. State, 145 So. 3d 958, 962-63 (Fla. 4th DCA 2014) (finding that issue was not preserved for appellate review when defendant

objected to denial of peremptory challenge after jury was sworn and impaneled and after accepting jury the prior day).
