NO. 2014 CW 1049

VERSUS

ELECTRONIC MOBILITY
CONTROLS, LLC, ET AL.

SEP 23 2014

In Re: Electronic Mobility Controls, LLC, applying for
supervisory writs, 19th Judicial District Court,
Parish of East Baton Rouge, No. 567,785.

BEFORE: GUIDRY, THERIOT AND DRAKE, JJ.

WRIT DENIED. The Louisiana Supreme Court set forth the
criteria for the exercise of supervisory jurisdiction by an
appellate court in **Herlitz Const. Co., Inc. v. Hotel Investors
of New Iberia, Inc.**, 396 So.2d 878 (La. 1981). Insofar as the
criteria of **Herlitz** are not met in this case, this Court
declines to exercise its supervisory jurisdiction.
