COURT OF APPEAL, FIRST CIRCUIT

STATE OF LOUISIANA

NO. 2018 KW 1242

VERSUS

WILLIE COLLINS

NOV 09 2018

In Re: Willie Collins, applying for supervisory writs, 19th
Judicial District Court, Parish of East Baton Rouge,
No. unknown.

BEFORE: PETTIGREW, WELCH, AND CHUTZ, JJ.

WRIT DENIED. Relator does not state what relief he seeks. If relator intends to seek review of the district court's rulings(s) denying his motion to quash and "motion for relief from bond obligations," he should specifically request that relief and identify how he believes the district court erred. He should also include the district court's ruling, the district court's docket number, the bill of information, the type of offense, and any other portion of the district court's record that would support the claims in the writ application.
