

STATE OF MICHIGAN
COURT OF APPEALS

BUTTERWORTH HOSPITAL,

Plaintiff- Appellee,

v

AUTO CLUB INSURANCE ASSOCIATION and
AUTO CLUB GROUP INSURANCE COMPANY,

Defendants- Appellants.

UNPUBLISHED

January 31, 1997

No. 189445

Kent Circuit Court

LC No. 93-80940-CZ

Before: Hoekstra, P.J., and Markey and J.C. Kingsley,* JJ.

MEMORANDUM.

Defendants appeal as of right from a final judgment ordering defendants to pay in full plaintiff's customary charges for services provided under the no-fault act. We affirm.

This case is factually and legally similar to our earlier decision in *Munson Medical Center v Auto Club Ins Ass'n*, 218 Mich App 375; 554 NW2d 49 (1996), and we adopt the rationale from that opinion as our own in resolving this matter.

Affirmed.

/s/ Joel P. Hoekstra

/s/ Jane E. Markey

/s/ James C. Kingsley

* Circuit judge, sitting on the Court of Appeals by assignment.
