

STATE OF MICHIGAN
COURT OF APPEALS

NANCY DIERKER,

Plaintiff-Appellant,

v

WILLIAM J. NABHOLZ, III,

Defendant-Appellee.

UNPUBLISHED

February 24, 1998

No. 204700

Oakland Circuit Judge

LC No. 97-538275 DC

Before: McDonald, P.J., and Saad and Smolenski, JJ.

McDONALD, P.J. (concurring in part and dissenting in part).

I would not decide whether enforcement of the Missouri court's April 1996 order is required by the PKPA or that the PKPA applies to the facts of this case. In all other respects, I agree with the majority opinion.
