

STATE OF MICHIGAN
COURT OF APPEALS

CARRIE MURRAY McGUIRK,

UNPUBLISHED

Plaintiff-Appellee,

v

No. 196437

Genesee Circuit Court

LC No. 95-037923 CL

RONALD W. SABO and
RONALD W. SABO, P.C.,

Defendants-Appellants.

Before: Fitzgerald, P.J., and Markey and J.B. Sullivan*, JJ.

MARKEY, J. (concurring).

Although, I join the majority in their findings and conclusions, I do so less emphatically. I believe defendant's conduct was malicious, unwarranted, and embarrassingly unprofessional even if it does not rise, or should I say, sink, to an actionable level. Moreover, both parties' conduct discredited both themselves and the legal profession.

/s/ Jane E Markey

* Former Court of Appeals judge, sitting on the Court of Appeals by assignment.
