COURT OF APPEALS

LAPEER COUNTY FAMILY INDEPENDENCE
AGENCY, f/k/a DEPARTMENT OF SOCIAL
SERVICES, and CHRISTINE A. MOYERS a/k/a
CHRISTINA A. SHERMAN,

Plaintiff-Appellees,

v

TONY R. BRAZEEL,

Defendant-Appellant.

UNPUBLISHED
December 7, 1999

No. 213481
Lapeer Circuit Court
LC No. 88-012887 DP

Before: White, P.J., and Hood and Jansen, JJ.

WHITE, J. (concurring).

I believe the initial order for substitute service was properly granted. I join in the majority opinion in all other respects. I further observe that the court might properly have assessed sanctions for defendant's failures to submit to blood tests after stipulating to do so. However, the court could not properly condition the setting aside of the invalid default judgment on defendant's payment of the sanctions.
