No. 206532

Calhoun Circuit Court

LC No. 96-003572-FH

Before: Zahra, P.J., and White and Hoekstra, JJ.

MEMORANDUM.

Defendant appeals as of right from his August 7, 1997 jury trial conviction of parental kidnapping/custodial interference MCL 750.350a; MSA 25.582(1). Defendant was sentenced to a term of incarceration of 122 to 366 days. We affirm.

Defendant, proceeding in propria personia, purports to raise twenty issues. However, the issues of preservation of error and standards of review are not addressed in defendant's brief. Because defendant is proceeding in propria personia, we have waived the form requirements of MCR 7.212(c) and liberally construed the arguments advanced by defendant. Nonetheless, we find no reversible error in the trial court proceedings that resulted in defendant's conviction.

Affirmed.
