No. 230131
Hillsdale Circuit Court
Family Division
LC No. 99-029936-NA

Before: McDonald, P.J., and Smolenski and K. F. Kelly, JJ.

MEMORANDUM.

Respondent-appellant appeals as of right from the circuit court order terminating his parental rights to the minor child under MCL 712A.19b(3)(a)(ii), (g), and (j); MSA 27.3178(598.19b)(3)(a)(ii), (g), and (j). We affirm.

The record demonstrates that the trial court did not clearly err in finding that the statutory grounds for termination were established by clear and convincing evidence. MCR 5.974(I); *In re Trejo*, 462 Mich 341, 356-357; 612 NW2d 407 (2000).

Affirmed.
