Before: Murray, P.J., and Sawyer and Zahra, JJ.

MEMORANDUM.

In these consolidated cases, respondents-appellants appeal as of right from the order of the trial court terminating their parental rights to their minor child. We affirm. This case is being decided without oral argument pursuant to MCR 7.214(E).

The trial court did not err in finding that the statutory grounds for termination were established by clear and convincing evidence. MCR 5.974(I); *In re Miller*, 433 Mich 331, 337; 445 NW2d 161 (1989). Further, the evidence did not show that termination of respondents' parental rights was clearly not in the best interests of the child. MCL 712A.19b(5); *In re Trejo*, 462 Mich 341, 356-357; 612 NW2d 407 (2000). The trial court therefore did not err in terminating respondents-appellants' parental rights to the child.

Affirmed.
