MEMORANDUM.

In these consolidated appeals, respondent Charlene Rau appeals as of right, and respondent Dale Anderson appeals by delayed leave granted, from the trial court's order terminating their parental rights to the minor child under MCL 712A.19b(3)(i), (j) and (l). We affirm.

The trial court did not err in finding that termination of respondent Anderson's parental rights was warranted at the initial dispositional hearing. MCR 5.974(D). Because at least one ground for termination was established, the court was required to terminate respondent-appellant's parental rights unless the court found that termination was clearly not in the child's best interests. MCL 712A.19b(5); *In re Trejo*, 462 Mich 341, 364-365; 612 NW2d 407 (2000). The court's finding regarding the child's best interests was clearly not erroneous. *Trejo, supra*.

Affirmed.
