Hehr v. Hehr
No. 20210176

Per Curiam.

[¶1] Mary Hehr appeals the judgment entered by the district court in the parties' divorce proceedings, arguing the district court erred in its distribution of marital property. The distribution of marital property by the district court is subject to the clearly erroneous standard of review. *See Willprecht v. Willprecht*, 2020 ND 77, ¶ 19, 941 N.W.2d 556. We conclude the court's distribution of property was not induced by an erroneous view of the law, there is evidence in the record to support the distribution, and, after a review of the entire record, we are not left with a definite and firm conviction a mistake has been made. We summarily affirm under N.D.R.App.P. 35.1(a)(2).
