PER CURIAM

Reversed.

1 PER CURIAM

2 Appellant seeks reversal of a judgment committing her as a mentally ill
3 person for a period not to exceed 180 days. ORS 426.130. Appellant argues that,
4 contrary to the trial court's ruling, the record does not establish by clear and convincing
5 evidence any of the bases for commitment under ORS 426.005. The state concedes that
6 the evidence is legally insufficient for involuntary commitment and that the judgment
7 should be reversed. We agree, accept the state's concession, and reverse.

8 Reversed.
