ORDER

PER CURIAM

AND NOW, this 6th day of November, 2023, as it appears that this Court's Prothonotary was mistaken in concluding that Attorney Brian J. Collins represents Raphel Berrien with respect to this return-of-property case, the Application to Withdraw as Counsel is DISMISSED.

The Prothonotary is DIRECTED to process the previously submitted *pro se* filing in the normal course, including issuing any defect-correction notice.
