**ORDER**

**PER CURIAM**

DECIDED: **October 4, 2007**

The Petition for Allowance of Appeal is **GRANTED** and the Commonwealth Court's decision and order is **REVERSED** and the matter is **REMANDED** for reconsideration in light of our decision in Navickas v. Unemployment Comp. Bd. of Review, 787 A.2d 284 (Pa. 2001) (holding that the Unemployment\_Compensation Act sets forth a single governing standard of willful misconduct and rejecting idea that a higher standard may apply based upon the type or nature of the employment involved) and Grieb v. Unemployment Compensation Bd. of Review, 827 A.2d 422 (Pa. 2003) (reiterating that the Unemployment Compensation Act sets forth a single standard regarding willful misconduct and declining to adopt a heightened standard as a public safety exception to the willful misconduct standard).
