

**IN THE COURT OF CRIMINAL APPEALS
OF TEXAS**

NO. PD-1682-15

DARRELL WAYNE PARKER, Appellant

v.

THE STATE OF TEXAS

**ON APPELLANT'S PETITION FOR DISCRETIONARY REVIEW
FROM THE THIRD COURT OF APPEALS
BELL COUNTY**

Per curiam.

O P I N I O N

We granted appellant's petition for discretionary review to determine whether the court of appeals properly analyzed the issue of transferred intent in a prosecution for capital murder under a multiple-murders theory. Having examined the record and briefs, we conclude that our decision to grant review was improvident. We therefore dismiss appellant's petition for discretionary review as improvidently granted.
