

IN THE COURT OF CRIMINAL APPEALS OF TEXAS

NO. WR-20,423-14

EX PARTE ISMAEL HERNANDEZ PADILLA, Applicant

**ON APPLICATION FOR A WRIT OF HABEAS CORPUS
CAUSE NO. W83-88766-P IN THE 203RD JUDICIAL DISTRICT COURT
FROM DALLAS COUNTY**

Per curiam.

ORDER

Pursuant to the provisions of Article 11.07 of the Texas Code of Criminal Procedure, the clerk of the trial court transmitted to this Court this application for writ of habeas corpus. *Ex parte Young*, 418 S.W.2d 824, 826 (Tex. Crim. App. 1967). Applicant pleaded guilty to aggravated robbery and was sentenced to fifty years' imprisonment.

Applicant filed a habeas application in the district court on November 15, 2010. On March 21, 2011, the trial court made findings of fact and conclusions of law that were based on the application and the State's response to that application. The trial court recommended that relief be denied.

In September of 2011, Applicant filed an amended application, raising an additional ground for review complaining of the improper denial of good time credits. The trial court's findings, while they fully addressed the claims raised in Applicant's initial application, did not address the claim raised in his amended application. Nonetheless, this Court has undertaken an independent review of all the evidence in the record. Therefore, based on the trial court's findings of fact and conclusions of law as well as this Court's independent review of the entire record, we deny relief.
