

IN THE COURT OF CRIMINAL APPEALS OF TEXAS

NO. WR-34,286-05

EX PARTE ROJELIO FLORES ROMERO, Applicant

ON APPLICATION FOR A WRIT OF HABEAS CORPUS
CAUSE NO. 89-4-13,538-4 IN THE 24TH DISTRICT COURT
FROM VICTORIA COUNTY

Per curiam.

ORDER

Pursuant to the provisions of Article 11.07 of the Texas Code of Criminal Procedure, the clerk of the trial court transmitted to this Court this application for writ of habeas corpus. *Ex parte Young*, 418 S.W.2d 824, 826 (Tex. Crim. App. 1967). Applicant was convicted of aggravated possession of marijuana and was sentenced to sixteen years' imprisonment.

This -05 writ application was dismissed by this Court on April 4, 2012, as a subsequent writ application that did not meet the requirement of Article 11.07, Section 4. Applicant has filed a

motion to rehear the dismissal, which is not prohibited under Rule of Appellate Procedure 79.2 (prohibiting the filing of a motion to rehear an order denying habeas corpus relief but not prohibiting such a motion on dismissals of an application).

After a review of Applicant's motion and his previous writ filings, it appears to this Court that Applicant's argument for rehearing has merit. The motion for rehearing the dismissal of the -05 writ application is therefore granted. Nonetheless, the allegations in Applicant's -05 writ application are without merit. Because the allegations in this -05 writ application lack merit, as did similar allegations in Applicant's -01 and -03 writ applications, relief is denied.
