**MEMORANDUM OPINION**

Before Justices Francis, Myers, and Schenck  
Opinion by Justice Francis

Relator filed this petition for writ of mandamus requesting that the Court order the trial court to vacate its July 21, 2015 order compelling responses to certain interrogatories and requests for production. Ordinarily, to obtain mandamus relief, a relator must show both that the trial court has clearly abused its discretion and that relator has no adequate appellate remedy. *In re Prudential Ins. Co.*, 148 S.W.3d 124, 135–36 (Tex. 2004) (orig. proceeding). We conclude relator has not established a right to relief. We deny the petition.
