**MEMORANDUM OPINION**

Before Justices Myers, Schenck, and Reichek  
Opinion by Justice Reichek

Before the Court is relators' December 19, 2019 petition for writ of mandamus, seeking to vacate the trial court's order granting a continuance on relators' no-evidence motion for summary judgment.

Entitlement to mandamus relief requires relator to show both that a trial judge has clearly abused its discretion and that relator has no adequate appellate remedy. *In re Prudential Ins. Co.*, 148 S.W.3d 124, 135–36 (Tex. 2004) (orig. proceeding). After reviewing the petition and the mandamus record, as well as the response, we conclude relators have not shown they are entitled to the relief requested.

Accordingly, we deny relators' petition for writ of mandamus. *See* TEX. R. APP. P. 52.8(a) (the court must deny the petition if the court determines relator is not entitled to the relief sought).
