MEMORANDUM OPINION ON MOTION

Before Justices Myers, Pedersen, III, and Garcia
Opinion by Justice Garcia

Appellants have filed a motion asking us to reverse a trial-court order increasing the amount required for appellants to supersede the judgment. *See* TEX. R. APP. P. 24.4. After considering the motion and appellee's response, we conclude that appellants have failed to show that they are entitled to the relief requested.

Accordingly, we **DENY** the motion and affirm the trial court's order.
