**MEMORANDUM OPINION**

Before Justices Molberg, Pedersen, III, and Nowell

Opinion by Justice Molberg

We reinstate this appeal. This case was abated on January 17, 2023 due to bankruptcy. *See* TEX. R. APP. P. 8.2. The Court conducted an independent review of the federal Public Access to Court Electronic Records (PACER) system which shows the bankruptcy case associated with this appeal was terminated on January 20, 2023, effectively dissolving the automatic stay.

We notified the parties by letter, requesting they inform the Court of the status of the bankruptcy and of this appeal.<sup>1</sup> We cautioned that the failure to respond would result in the appeal being dismissed for want of prosecution. To date, neither party has responded.

Because we gave the parties an opportunity to show why we should not dismiss the appeal for want of prosecution and no one responded, we dismiss this appeal. *See* Tex. R. App. P. 42.3(b), (c).
